City Announces Uptown Evening Market

Market to run the first Thursdays of July, August, and September 2021

(Edmonds, WA) The City is pleased to announce the first-ever community evening market taking place this summer in the Highway 99 neighborhood.

Dubbed the "Uptown Evening Market," the market will be held on three Thursdays: July 8th, August 12th, and September 9th. The market will run from 4pm to 9pm on 236th Street between 84th Avenue West and Highway 99 (behind Safeway).

A variety of vendors will be on hand selling items like produce, locally made crafts, and food items. Live musical entertainment and food vendors will be present, with plenty of free parking available at Edmonds Lutheran Church.

"Based on the success of Walkable Main St. and our summer markets, I am excited to expand our community events to include areas beyond our downtown. This evening market offers an opportunity for us to highlight an area of our city that has been historically under-served. It also gives our local vendors more opportunities to sell their goods in addition to the Saturday summer market," said Mayor Mike Nelson.

Thank you to our partnerships with Safeway and Edmonds Lutheran Church to make this market a possibility. If you are a vendor interested in participating in the market, please contact Valerie Claypool at 206-335-9665 or 247eventsnw@gmail.com for application information. Merchants from the greater Highway 99 Corridor will be offered a discounted rate to participate if they apply by June 11th.
